COSTS AND PAYMENT SCHEDULE

SAGU is a private, church-related university. The tuition and fees paid by students cover a percentage of the cost of operating SAGU. The remaining percentage of the cost is paid through contributions by interested individuals, churches, and districts.

Schedule of Fees

To view the information about charges for tuition and various fees, please visit www.sagu.edu/admissions/tuition-and-fees. SAGU reserves the right to change the rates.

Deferred Payment Plan

Students are encouraged to pay in full at registration. If students are unable to pay in full, they may take advantage of the deferred payment plan, which allows them to pay in five installments over the course of each semester, as shown in the chart below:

| Semester | Down Payment | 2nd Payment | 3rd Payment | 4th Payment | 5th Payment |
|----------|------------------|-------------|-------------|-------------|-------------|
| Fall | Registration Day | Sept. 30 | Oct. 30 | Nov. 30 | Dec. 30 |
| Spring | Registration Day | Feb. 28 | March 30 | April 30 | May 30 |
| Summer* | Registration Day | June 15 | July 15 | | |

^{*} DE Courses only.

Down Payment:

The remaining semester charges, after the down payment, will be divided equally among the remaining installments.

There is a fee of \$60 charged to use the deferred payment plan. A late payment fee of \$20 will be added each month a scheduled payment is missed.

Student Account Classifications

Current: Any student making payments according to the payment schedule.

<u>Past Due</u>: Any student currently enrolled that is not making payments within the specified payment dates.

<u>Delinquent</u>: Any student that is no longer enrolled and has not made satisfactory payment arrangements with the Student Billing Office.

Delinguent Accounts Policy

Students owing a balance for any semester at SAGU are able to select courses for future semesters but will not be permitted to complete financial registration without paying the outstanding balance. Transcripts and diplomas are not issued until the balance is paid-in-full. If satisfactory arrangements are not made with the Student Billing Office, the account will be referred to a third-party collection agency. In this event, the student will be responsible for any associated collection fees and interest. Additionally, the account could be reported to one or more of the national credit bureaus.

REFUND POLICIES

Overpayment

Student accounts with overpayment due to financial aid will be refunded within 14 days after SAGU has received the financial aid from the vendor and it has been applied to the account. Once an overpayment refund has been issued, the student has 240 days to cash the check. If 240 days pass and the check has not been cashed, SAGU will return the funds to the appropriate vendor. For all refunds resulting from Title IV aid, the funds will be returned to the Department of Education. For all refunds resulting from non-Title IV aid, the funds will be sent to Texas Unclaimed Property.

Withdrawal and Termination

Upon withdrawal or termination, all amounts due to SAGU are payable in full. No refund is given for fees. All Financial Aid that was previously awarded for subsequent semesters in the current school year is cancelled at the time the student withdraws. In order for the student to be re-awarded, he/she must submit a written notice of intent to re-enroll to the Financial Aid Office.

FINANCIAL AID POLICIES

The following policies and funds are specific to the undergraduate student. Please see the Graduate Academic Catalog for policies and funds related to the Graduate Student.

Application Dates

Applications for financial assistance are available after January 1 of each year for the following academic year (August-May). The Free Application for Federal Student Aid (FAFSA) can be submitted online at www.fafsa.gov and should be completed by March 1. Priority is given to students whose FAFSA's are submitted by March 1 and whose files are accurate and complete by April 15. To have funds ready at registration, the following deadlines are suggested: Apply by May 1 and have a complete and accurate file by July 1. Students planning to attend summer school need a FAFSA filed for the academic year preceding the summer session. Students are required to apply for institutional aid prior to the end of late registration each semester. After the end of late registration, students cannot be awarded any additional institutional financial aid even if otherwise eligible.

Financial Aid Eligibility

The financial aid lock in date is the last day a student can receive a 100% refund. This date will determine Pell Grant and Stafford Loan eligibility. Classes added after this day will not be eligible for additional federal or state aid. Federal Pell Grants will prorate by the number of credit hours registered in on this day. Students receiving Pell funds are required to attend at least one class period in each course to become eligible for funding. Stafford Student Loan eligibility requires a student to be locked into no less than six (6) credit hours. In order to qualify for state financial aid, students must lock into the required number of hours for each program. Please see the Financial Aid Office for these program requirements.

Return of Title IV Federal Funds

Introduction

The law specifies how SAGU must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs offered at SAGU that are covered by this law are: Federal Pell Grants, Direct Subsidized and Unsubsidized Loans, Direct PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOG), and Federal Perkins Loans.

Though your aid is posted to your account at the start of each semester, you earn the funds as you complete the semester. If you withdraw during the semester, the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or SAGU or your parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by SAGU and/or you.

A return of Title IV (R2T4) funds calculation is performed when a student who is awarded federal funds withdraws from a semester of study. The Financial Aid Office uses software provided by the U.S. Department of Education to complete this calculation. The student's account statement and financial aid record is used in conjunction with this software.

Estimate of Aid Earned or Aid That May Need to be Returned

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of the semester, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the semester, you earn all the assistance that you

were scheduled to receive for that semester. This means that if a student receiving federal Title IV aid withdraws after completing 60% of the semester, no Title IV funds will be returned. The student is considered to have earned 100% of the Title IV aid for the semester.

Here's an example of how you can estimate the percentage of Title IV aid that you have earned in a semester (enrollment period).

Enrolled Days

= % of Title IV Earned By Student

Days in the Enrollment Period

You can also compute a rough estimate of the amount that you may be required to repay prior to withdrawing by using the <u>U.S. Department of Education's Treatment of Title IV Funds When A</u> Student Withdraws form.

<u>Unofficial Withdrawals and Earning All Non-Passing Grades</u>

If you fail to earn a passing grade in at least one of your courses (i.e. all F's, NC's, all I's or a combination of non-passing grades) during a semester, you are considered to have, for purposes of federal Title IV funds, unofficially withdrawn from the University. As a result, a federal withdrawal calculation must be performed to determine the amount of Title IV funds that you must repay. The only exception is when SAGU can document (within 30 days of the end of the semester) that you should not have been considered unofficially withdrawn. For example, that you were academically engaged after the 60% point of the semester or that you did not meet the requirements for administrative withdrawal in an online course.

Once semester grades post, and if you fail to earn a passing grade in at least one of your courses, SAGU will perform the federal withdrawal (Return of Title IV) calculation.

Post-Withdrawal Disbursement

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, SAGU must get your permission before we can disburse them. We will contact you via LionMail (SAGU email) to offer you a post-withdrawal loan disbursement. Therefore, it is important that you continue to check your LionMail even after withdrawing from a semester. You may choose to decline some or all of the loan funds so that you don't incur additional debt. SAGU may automatically use all or a portion of our post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). SAGU needs your permission to use the post-withdrawal grant disbursement for all other school charges, and this permission is received each semester by each student when you approve your bill and agree to the terms and conditions of registration in your mySAGU student portal.

There are some Title IV funds that you may have been scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, a student that was awarded federal loans but has not accepted the loans in the mySAGU student portal or completed the required MPN or loan entrance counseling cannot receive a post-withdrawal disbursement of loan funds.

Returning Title IV Funds

If you receive (or SAGU or your parent receives on your behalf) excess Title IV program funds that must be returned, SAGU must return a portion of the excess equal to the lesser of:

- 1. Your institutional charges multiplied by the unearned percentage of your funds, or
- The entire amount of excess funds.

SAGU must return this amount even if we didn't keep this amount of your Title IV program funds. If SAGU is not required to return all of the excess funds, you must return the remaining amount.

Any loan funds that you must return, you (or your parent for a Direct PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Overpayments

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with SAGU or the Department of Education to return any unearned grant funds.

Non-Attendance

If you are a Pell Grant, Iraq-Afghanistan Service Grant (IASG) or TEACH Grant recipient, federal regulations require you to have begun attending the courses for which you are enrolled and receiving these grants. If on the final roll sheet distributed to instructors to confirm attendance your instructor indicates that you are not attending a course, you are assumed not to have begun attendance for that course. Your grant will then be adjusted or cancelled based on the courses you have actually begun attending.

If you fail to begin attendance in all of the courses for which you are registered, you will have failed to establish eligibility for financial aid. In this situation, you will be required to repay all of the financial aid that you have received.

Last Date of Attendance Determination for Programs That Take Attendance

For programs that take attendance (undergraduate on campus courses), the Financial Aid Office uses the student's last date of attendance in calculating whether or not Title IV funds have to be returned to Federal Student Aid. These attendance records are received through Blackboard or instructor records. Additionally, other academic records in Blackboard may be used to help determine the last date of attendance, such as when a student submitted an assignment or completed an assessment in Blackboard.

Last Date of Attendance Determination for Programs That Do Not Take Attendance

For programs that do not take attendance (distance education and graduate on campus courses), the Financial Aid Office uses the withdrawal date in calculating whether or not Title IV funds have to be returned to Federal Student Aid. When a student in a program that does not take attendance is administratively withdrawn or when a student unofficially withdraws, the Financial Aid Office will use the midpoint of the semester in calculating whether or not funds have to be returned to Federal Student Aid, unless SAGU can show documentation of the student's last academically related activity.

Federal vs. Institutional Refund Policy

The requirements for federal Title IV program funds when you withdraw are separate from any refund policy that SAGU has regarding institutional grants and scholarships or other non-federal financial aid. Therefore, federal funds may not cover all unpaid institutional charges due to a student's withdrawal, and you may still owe funds to SAGU to cover any unpaid institutional charges. SAGU may also charge you for any Title IV program funds that we were required to return. When you approved your bill for the semester, you were emailed a copy of SAGU's return policy to your LionMail account. If you do not have access to this or are not familiar with SAGU's refund policy, you should contact the Student Billing Office at StudentBilling@sagu.edu or (972)825-4645 to ask for a copy.

Withdrawal Requirements and Procedures

You may contact the Registrar's Office at <u>registrar@sagu.edu</u> or (972)825-4640 so that they can provide you with the requirements and procedures for officially withdrawing from school.

When considering withdrawing from the University, students are encouraged to contact the Financial Aid Office first to see how the withdrawal could affect their aid. The Financial Aid Office will assist the

student in making an informed decision. Students can contact Financial Aid at <u>financialaid@sagu.edu</u> or by calling (972)825-4730.

Satisfactory Academic Progress Policy (SAP) - Undergraduate

Southwestern Assemblies of God University is required by law to formulate standards to gauge the

progress of students receiving financial assistance through federal, state or institutional aid programs by applying both qualitative and quantitative measurements to academic work [34 CFR 668.16(3)]. These measurements shall be used to determine a student's eligibility for all federal Title IV aid and for other need-based financial assistance, unless the terms of a particular grant or funding source states otherwise.

Time Frame Used in Measuring Progress

All SAP measurements are calculated annually at the end of the spring semester for all programs. Financial Aid Suspension will go into effect at the start of the following fall semester.

Qualitative Progress Measurement: Minimum Cumulative Grade Point Average

A cumulative Grade Point Average (CGPA) of 2.0 or higher must be attained by the end of the student's first spring semester. Students that transfer credits from other institutions will also have this GPA calculated in the CGPA. This average must be maintained at the end of each subsequent spring semester for a student to continue to receive financial aid. Students who do not meet this minimum CGPA requirement will be placed on Financial Aid Suspension. According to SAGU academic grading policy, only the latest grade for a repeated course is calculated into the CGPA. More detailed information on how the CGPA is calculated can be found under the Academic Policies in the catalog.

Quantitative Progress Measurement No. 1: Number of Credit Hours Required to Complete

When students enroll for classes and receive financial aid to pay for them, students are expected to complete those classes. If students do not complete at least 70 percent of the credit hours that are attempted during the year, the student will be placed on Financial Aid Suspension. Only passing grades count as successful completions. Incomplete or other grades that do not result in earned credits will not count as completions.

| Hours Attempted | Hours Required to Complete | Hours Attempted | Hours Required to Complete |
|-----------------|-------------------------------|-----------------|----------------------------|
| 24 | 18 | 23 | 16 |
| 22 | 15 | 21 | 14 |
| 20 | 14 | 19 | 13 |
| 18 | 12 | 17 | 12 |
| 16 | 11 | 15 | 11 |
| 14 | 10 | 13 | 9 |
| 12 | 8 | 11 | 8 |
| 10 | 7 | 9 | 6 |
| 8 | 5 | 7 | 5 |
| 6 | 4 | 5 | 4 |
| 4 | 3 | 3 | 3 |

Quantitative Progress Measurement No. 2: Maximum Time to Complete a Degree

Students must select a program/degree of study before they can receive financial aid. When students receive financial aid to help pay a program/degree of study, they are expected to complete that

program without taking a lot of time.

A student's progress may be evaluated for only one program at a time. Each financial aid applicant must select a primary program/degree of study prior to receiving financial aid payments. A student who is concurrently completing more than one program or major may request additional time to complete the program. A request for additional time must be submitted in writing to the Financial Aid Office.

To make sure that students complete their program in a reasonable amount of time, a limit set by law has been placed on the number of hours that students can attempt in order to complete the program/degree. That limit is 150 percent of the minimum number of hours required to complete the program/degree. (For example, if you are in a program/degree that takes 66 hours to complete, you must finish your program within 99 attempted hours. If you are in a program/degree that takes 120 hours to complete, you must finish your program within 180 attempted hours.)

Once students reach the 150 percent limit, they will no longer be able to receive additional financial aid payments. There are many variables that go into calculating that limit, including, but not limited to:

- All attempted credit hours are counted regardless of whether or not financial aid was received to pay for them.
- Any transfer hours that are accepted from other colleges toward completion of the program are counted. If you are a transfer student, you must submit transcripts from all previous colleges.
- 3. If a course is repeated, all attempts are counted.
- 4. If a student withdraws from a course, it is still counted as an attempt.

Note: If a student cannot complete the program within the 150 percent limit, they will be placed on Financial Aid Suspension when that determination is calculated. Students have the ability to submit an appeal for this determination.

Financial Aid Suspension

If a student fails to meet any one of the SAP measurements described above, they will be placed on Financial Aid Suspension. While on suspension, students will not be eligible to receive any financial aid. Students will be notified of this via their campus email address.

Reinstatement Procedures

To regain financial aid eligibility, a student must pay the expenses related to at least half-time enrollment (6 or more hours in a semester) during the period of suspension and satisfy all SAP requirements. After meeting all SAP requirements, the student must request reinstatement of eligibility in writing to the Financial Aid Office.

Appeal Process

Students placed on Financial Aid Suspension may petition the Financial Aid Department to consider mitigating (special) circumstances that resulted in inability to meet the SAP requirements. The appeal must be typed and must include the Suspension Appeal Form, an explanation with supporting documentation (i.e., medical statements, divorce documents, letters of unemployment, etc.) of the reason(s) the minimum academic standards required by SAP policy were not achieved. Additionally, each appeal must be submitted with a letter of endorsement from an SAGU faculty/staff member. The appeal narrative and documentation should also demonstrate that the adverse circumstances have been resolved.

All appeals will be reviewed within 7 business days of the Financial Aid Office's receipt of a complete

appeal (appeal form, student's appeal letter, endorser letter and supporting documentation). Notification of the review will be sent via SAGU email.

For appeals that have been approved, students will be placed on Financial Aid Probation for one academic year, beginning with the next fall semester. SAP will be calculated again at the end of the spring semester; if the cumulative standard is met, students will be placed back in good standing. Students that meet SAP for the academic year, yet are not meeting the cumulative requirement, will remain on Financial Aid Probation until the requirement is met.

For students that have been denied, there is another level of appeal. The student must request, in writing, a review by the Financial Aid Committee. Appeals that have been approved at this level will be required to see an academic counselor in order to tailor the class schedule for student success.

Developmental Course Work

Students may take up to 30 hours of developmental course work and receive financial aid to pay for those costs. These hours do not count toward the 150 percent limit to complete the student's degree, but the student will be measured against Quantitative Measurement No. 1 described above. Once the student has attempted 30 developmental hours, he/she will only be paid for attempts of credit hours toward their program. The student cannot receive financial aid to pay for extra developmental hours.

Summer Enrollment and the SAP

When calculating the SAP status, summer attempted hours will be counted toward the 150 percent maximum, and summer grade points earned will be calculated as part of the cumulative grade point average. The rule pertaining to completion of a minimum number of attempted credit hours will not be calculated for summer enrollment.

Financial Aid Will Not Pay For:

- Any credit hours in excess of the 150 percent maximum program limit (see discussion of Quantitative Measurement No. 2 above)
- Courses taken by audit
- Credit hours earned by placement tests
- Courses registered for after the official certification date of the semester (last day to receive 100% refund)

FINANCIAL ASSISTANCE

A number of scholarships, grants, loans, and work opportunities are available to help students. Further information and applications are available through the Financial Aid Office. Funding sources are subject to change without notice.

FEDERAL ASSISTANCE PROGRAMS

General Eligibility Requirements and Deadlines

A student seeking financial aid must be a U.S. citizen or an eligible non-citizen; be seeking a degree, diploma or certificate; have a high school diploma, GED, or prove ability to benefit by passing an approved test; not be in default on any educational loan; not owe a refund on a federal grant; agree to use federal aid solely for educational purposes; and make satisfactory academic progress.

Applications for federal student aid must be submitted on an annual basis. The Free Application for Federal Student Aid (FAFSA) and the Institutional Financial Aid Application should be filed as soon after the first of the year as possible. Priority consideration is given to students who submit these documents by March 1 and complete their files by April 15 for the next academic year. Financial Aid packets are available in the Financial Aid Office.

Federal Pell Grant: This is a federally funded grant based on financial need. A Free Application for Federal Student Aid (FAFSA) must be filed annually to determine eligibility. The FAFSA may be completed online at www.fafsa.gov. The amount of the grant depends on the student's (a) family contribution, (b) enrollment status, and (c) length of time enrolled during the academic year.

Federal Supplemental Educational Opportunity Grant (FSEOG): The FSEOG program is a federally funded grant program. FSEOG's are awarded first to students with exceptional need. Priority in awarding FSEOG's is given to full-time students who receive Pell Grants and apply by the March 1 deadline.

Federal Work-Study Program (FWS): The FWS program is federally funded. This program provides employment opportunities for students to assist them in earning the funds necessary to meet college costs. The student normally works 8-12 hours per week. The student must show financial need as determined by the Free Application for Federal Student Aid. Employment is not guaranteed. There are more eligible students than there are positions.

Federal Stafford Loan Program (Subsidized and Unsubsidized): The Stafford Loan is a low-interest loan made by a participating lender such as a bank, credit union, or savings and loan association. Students may borrow an annual maximum of \$3,500 per year as a freshman, \$4,500 per year as a sophomore, and \$5,500 per year as a junior and senior. Additional unsubsidized loan money is available under certain circumstances. Minimum monthly payment is \$50 per month and payment begins six months after the student ceases to be enrolled at least half time. Maximum repayment period is ten years.

Federal Parent Loan for Undergraduate Students (PLUS): PLUS Loans are meant to provide additional funds for educational expenses at a current rate of interest. Parents may borrow up to the cost of attendance minus any other aid for each child who is attending at least half time as a dependent undergraduate student. Normal repayment options require payments beginning within 60 days of the final disbursement. However, repayment options vary; contact your lender regarding these options. Parents can apply online at www.studentloans.gov.

Bureau of Indian Affairs Grant (BIA): Students should contact the area BIA Office in which they are registered to determine eligibility. Students may be required to submit a FAFSA.

Veterans Benefits: Veterans and veteran dependents may be eligible for Educational Benefits through the Department of Veterans Affairs. Contact your area Veterans Affairs Office to see if you meet eligibility requirements. Veterans are certified for enrollment through the Registrar's Office. Student eligibility for VA Rehabilitation is processed through the Financial Aid Office.

STATE ASSISTANCE PROGRAMS

Tuition Equalization Grant (TEG): TEG is a need-based state grant. In order to be eligible, students must be full-time Texas residents, meet certain financial need and academic requirements, not be a ministry major pursuing a degree program that leads to a career in church work, and must not receive an athletic scholarship. Funding is very limited. Not all Texas residents will be eligible and some eligible students will not receive TEG because of limited funds.

College Access Loan: Established by the 70th Legislature, this loan program was created primarily to help families who do not qualify for the need-based loans. The amount the student can receive cannot exceed the cost of attendance. Promissory notes must be co-signed, notarized, and a credit check of the co-signers will be administered. Applications are available online at www.hhloans.com.

Vocational Rehabilitation: Students with disabling conditions may be eligible for assistance. Contact your Area Rehabilitation Commission Office. Student may be required to file a FAFSA.

INSTITUTIONAL SCHOLARSHIPS AND GRANTS

SAGU provides various institutional scholarships and grants for undergraduate students. Examples of such are as follows: Academic Scholarships based on GPA and ACT/SAT test scores, Departmental Scholarships for prospective or current students, Fine Arts and Bible Quiz Scholarships based on certain levels of achievement in the Assemblies of God Fine Arts and Bible Quiz programs, Athletic Scholarships given through SAGU's Athletic Department based on athletic ability, Assemblies of God Minister and Missionary Dependents Grants, Sibling Grants, and SAGU Faculty Dependents Grants. Please refer to the Financial Aid Handbook for a complete listing of all Institutional Scholarships and Grants as well as details regarding eligibility requirements and the application process for each.

DONOR SCHOLARSHIPS

Several Donor Scholarships are awarded annually. Applications are available in the Financial Aid Office. The application deadline is February 15 unless specified otherwise. Scholarship presentations are made at the annual Awards Banquet for the next academic year. Applicants must also file the FAFSA to determine need. Recipients for most Donor Scholarships are selected by the Financial Aid Committee, which is comprised of faculty and staff chosen from the different areas of the University.

Allen Poldson Memorial Scholarship: This scholarship is in the memory of Allen Poldson and is awarded with preference to a senior Pastoral or Music major with financial need.

Alumni Class of '47: This scholarship is made possible by an endowment from the SBI class of 1947. The scholarship is awarded to an upper-level student actively involved in church and planning on entering full-time ministry.

^{**}Denotes scholarship is open to new and returning students.

Andrea McKnight Memorial Scholarship: This scholarship is given in memory of Andrea McKnight, who passed away in 2005, the wife of Irby McKnight, current SAGU Vice President of Development.
