Courses in the Digital Media Arts program are designed to prepare students for practical applications to a variety of careers in the broadcasting fields, i.e. radio, television, and cable. Media are powerful forces in our minds, lives, societies, and cultures. Courses encourage students with professional aspirations to become ethical, articulate, creative and innovative leaders in the broadcasting field.

Upon completion of this program, students will:

1. Demonstrate ability to understand and operate basic broadcasting equipment.
2. Demonstrate ability to serve in various roles in a production team environment.
3. Demonstrate an understanding of how to use and write for contemporary media formats to communicate.
