The Associate of Arts in Education is designed to give students a general studies foundation upon which to build a professional career.

Upon completion of this program, students will:

1. Discuss the social, political, economic, academic, and psychological purposes of education.
2. Explain the climate in which teachers work today and its impact on teaching as well as the status of the profession.
3. List the steps involved in preparing to become a teacher.
4. Explain how historical philosophies have influenced current educational theories.
5. State the rights and responsibilities of students, parents, teachers, and school administrators in education and explain how current state and federal laws affect those roles.
6. Name the major theories of child/adolescence development.
7. Explain, in some detail, the growth and development of a child/adolescent.

Associate of Arts - Education *continued*
